

PLANET FASTPITCH

Established in 1997, Planet Fastpitch, New England's largest exclusive fastpitch softball facility, offers professional instruction, state-of-the-art training equipment, video and speed analysis, and a number of specialized programs for individuals, groups and teams. Planet Fastpitch also offers a variety of coaching clinics in pitching, hitting, catching and all offensive and defensive skills & drills.

All Planet Fastpitch instructors are current and former collegiate players as well as college and high school coaches, hand picked to ensure the highest quality of professional softball instruction. In choosing PFP, athletes benefit from learning from a team of coaches who are current with cutting-edge softball techniques and have competed at the elite level.

Kate Roberts – HITTING COACH. 2007 Graduate of Fairfield University. Pitcher/Hitter/FirstBase player. 2007 NFCA All America Scholar Athlete. Bachelor's degree in marketing from the Dolan School of Business

Allie Gendron – STRENGTH COACH. 2008 Graduate of University of Connecticut. Hitter/Catcher/3B. Certified Strength & Conditioning Specialist. NFCA All-Northeast region selection her sophomore year. NFCA All America Scholar Athlete in 2007.

The Softball Specialists
